

# WEST PARK BISTRO

*Hi Friends!*

We are dedicated to supporting our community's health and safety, and in accordance with the guidelines provided by the CDC and the state of California, **we will remain open, conducting Business as instructed.** That may include limiting the amount of available tables and redacting our menus to be a more quickened dining experience, of course all the same great cuisine taste. For the most accurate source of truth--give us a call!

We are taking extra precautions to ensure your safety as well as our staff's safety by conducting daily in addition to hourly cleaning and sanitizing procedures.

Thank you so much for your support through these tough times. It's friends like you that keep our little slice of San Carlos operating and going.

Sincerely,

*The West Park Family*
